## **Hayden Synchro Summer Experience Camp**

**June 24-28, 2012**

**Sunday – Thursday**

**with Head Coach Saga Krantz and the Haydenettes**

Thank you for your interest in the Hayden Synchro Summer Experience Camp. Now in its 5<sup>th</sup> season, this year's camp promises to be better than ever. Come be part of the fun! Meet and skate with the 19<sup>th</sup> time US National Champions, the Haydenettes and their Head Coach, Saga Krantz. Learn great skating skills and enjoy dance, arts & crafts, and much, much more!

This camp provides skaters with on-ice and off-ice sessions throughout the week, focusing on developing individual, team and synchronized skating skills and techniques. Each skater will also benefit from other sessions on nutrition, warm-up and stretching routines, understanding the judging system and injury prevention. The camp ends with an exhibition where all skaters perform in a group routine.

Coach Saga Krantz and other Hayden coaches will be on hand for on-ice sessions for the entire week, assisted by the Haydenettes. This year, housing for the camp will be at The Hillside School, a private independent school in Marlborough MA. Come enjoy your favorite sport and make new synchro friends!
